CONDITIONS:

1. There shall be no changes in the construction of the driveway from the attached approved site plan without prior approval by Chapel Hill Engineering & Design Services
2. All construction in the public right-of-way must be inspected and approved by the Engineering Inspector. Any unauthorized construction shall be removed at the owner's expense.
3. At least 24 hours' notice is required for any inspection.
4. The contractor should have a copy of the Town's driveway standards and abide by their requirements.
5. **SAVE HARMLESS CLAUSE:** The contractor, by acceptance of this permit, assumes all liability for damages resulting from his construction and saves the Town of Chapel Hill harmless from all liability and expenses and agrees to reimburse the Town of Chapel Hill for any costs, expenses or damages which it may incur or be held liable for as result of the Contractor's activities pursuant to this permit.
6. This permit is issued under Chapter 17 of the Code of the Town of Chapel Hill and is subject to the applicable provisions of that Chapter.
