WALKING AND BIKING TIPS

While WALKING, remember to stay SEEN and be alert.

- Always walk on the sidewalk
- If there is no sidewalk, walk facing traffic
- Wear bright colors at night
- Look both ways before crossing the street

While BIKING, remember you are a vehicle. Be alert.

- Bike with the flow of traffic
- Leave yourself sufficient room to maneuver
- Always wear a helmet
- Use hand signals when turning or changing lanes
- Wear reflective clothing and use a headlight and taillight at night

Command Your Commute!

www.gochapelhill.org

The Town of Chapel Hill promotes using alternative transportation in order to limit traffic congestion and to reduce the Town's carbon footprint while increasing activity level. Alternative transportation can occur many times during the week including:

Travel to and from work
Appointments and meetings
Cultural experiences
Recreational time
Dining experiences
Town tours
Special events
Visiting family and friends
Travel to and from school
Day time errands
Lunch breaks
Weekend get-aways
Athletic events
Other weekly activities

There are many ways to become more active while using alternative transportation. Reducing usage of a single occupancy vehicle can improve the environment, save time, save dollars and improve overall health and activity!

Alternative Transportation Mode Choices

Carpooling
Vanpooling
Razor Scooters
Bicycling
Walking
Skateboarding
Bike Taxi
Rollerblading
Chapel Hill Transit
Triangle Transit
Capital Area Transit
Durham Area Transit
