WEEKLY GARBAGE COLLECTION

Household solid waste is collected once per week.

All trash, including pet waste, must be in tied, full size garbage bags and placed inside the garbage cart.

Sharp objects must be safely placed inside a puncture resistant container.

On collection day, place garbage cart behind the curb, away from mailboxes, and where a collector can conveniently get to it. Make sure that the cart placement does not create a hazard to pedestrians or traffic.

One 65 gallon garbage cart per residence is provided by the Town at no charge. Additional garbage carts can be purchased for $60/cart.

For cart repairs or replacement, call 919-969-5100.

Carts can be cleaned with soap and water.

All solid waste and yard waste must be brought to the curb before 6 am on the collection day. Remove cart from the street by 7 pm on your collection day.
