CHT provides service during these time periods:

**Monday - Friday**

5:00 am - 1:15 am

**Saturday**

8:00 am - 6:30 pm

**Sunday**

10:30 am - 11:30 pm

Service days and hours vary by route and time of year.  
For the most up-to-date fare and schedule information,  
visit [www.chtransit.org](http://www.chtransit.org) or call (919) 485-RIDE

## Other Transportation Services

Getting around on CHT is easy, but there are also other options, like carpooling, vanpooling, cycling, and walking.

**GoTriangle** is your one-stop resource for public transportation and commuter benefits, including carpool matching, vanpool information, and links to all of the transit agencies in the region. Visit [gotriangle.org](http://gotriangle.org) or call (919) 485-RIDE (7433).

**Go! Chapel Hill** offers healthy alternative transportation options including cycling and walking in and around Chapel Hill. Resources include maps, recommended rides, and safety tips. For more information check the website at [gochapelhill.org](http://gochapelhill.org).

**SharetheRideNC** is a statewide carpool matching service. It will help you quickly and securely find carpool partners anywhere in North Carolina! Using your home and work addresses, you will be matched to nearby commuters with similar schedules. Visit [sharetheridenc.org](http://sharetheridenc.org).

**Triangle Transit** and **PART** offer vanpools for Triangle and Triad commuters for a low monthly fare. Visit [triangletransit.org/vanpool](http://triangletransit.org/vanpool) and [partnc.org/vanpool.html](http://partnc.org/vanpool.html).

# Chapel Hill transit

Chapel Hill Transit is a partnership of the Towns of Chapel Hill and Carrboro and the University of North Carolina at Chapel Hill

## Getting Started

To get help planning your transit trip, call (919) 485-RIDE to reach the GoTriangle Regional Transit Information Center or use the Trip Planner at [gotriangle.org](http://gotriangle.org). Simply enter your starting and ending points and let the trip planner do the rest!

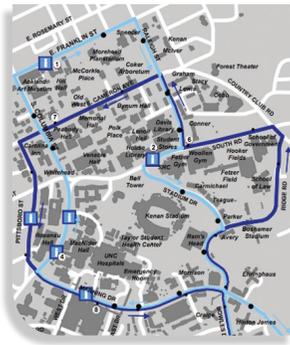

Chapel Hill Transit (CHT) also offers Travel Training free of charge. Call us for more information at (919) 969-4900.

## Find Your Route & Bus Stop

Find your starting and ending points on our system map to determine the route(s) that works best for you. Once you have found your route, look at the route-specific schedule.

*Where can I find bus schedules?*

- [www.chtransit.org](http://www.chtransit.org)
- Chapel Hill Public Library
- Chapel Hill & Carrboro Town Halls
- UNC Student Union
- UNC Department of Public Safety
- On the bus

The route brochure contains a map of the route, the schedule, and other important information like holiday service schedules. Bus stops are shown by dots along the route map. On the street, bus stops are marked by blue or green bus stop signs.

## How to Read a Bus Schedule

Bus schedules show a limited number of bus stops called “timepoints.” Timepoints are marked on the route map by numbers inside circles that correspond with the numbers at the top of each column in the schedule.

Most schedules are organized by direction. First, determine the direction you are going and then find the timepoint closest to your destination on the map and schedule.

Move your finger down the timepoint column to find the time you want to arrive at your destination, and then move your finger left along that line to your starting point. This determines your departure time.

If your bus stop is located between timepoints, your pick up and/or drop off time can be estimated based on the timepoints before and after your stop.

7:15	7:20	7:26
7:30	7:35	7:41
7:45	7:50	7:56
8:00	8:05	8:11
8:15	8:20	8:26
8:30	8:35	8:41
8:45	8:50	8:56
9:00	9:05	9:11

## How to Ride

- Arrive 5 minutes early at the bus stop and be sure to wait in a place where the bus operator can see you. As the bus approaches, check the sign above the window to be sure it is the right bus. If you're not sure, ask the operator.
- When the bus comes to a complete stop, wait for any passengers getting off the bus. Board through the front door and find a seat.
- Ask the operator to announce your stop if you are unsure where it is. To request a stop, pull the cord at least half a block before the stop. If possible, exit through the rear door of the bus. Never cross the street in front of a bus.

## Park-and-Ride

CHT operates express and local routes from a series of park-and-ride lots in Chapel Hill and Carrboro. Some lots are open to the general public while others are operated by UNC for students and employees who join the Commuter Alternative Program (CAP) and secure UNC park-and-ride permits. Visit [www.chtransit.org](http://www.chtransit.org) to locate the park-and-ride nearest you!

## Bikes on Buses

All CHT buses are equipped with racks that hold two bicycles each, available on a first-come, first-served basis. Before loading your bike, be sure to remove all loose items (such as water bottles) and make sure the operator knows you'll be loading a bike. When you get off the bus, notify the operator that you'll be unloading your bike.

For instructions on how to use the bus bike racks, visit [www.gotriangle.org/bike-walk](http://www.gotriangle.org/bike-walk).

Remember that YOU are responsible for your bike and belongings at all times!

## Emergency Ride Home

Though you may never need it (and we hope you won't), if you take CHT to work, you have a ride home if an emergency ever strikes. For more information and to register, visit [www.gotriangle.org/erh](http://www.gotriangle.org/erh).

## Accessible Services

CHT is committed to providing transit services that everyone can use. We encourage individuals with disabilities to take advantage of the independence and flexibility that is provided by our fixed route service. All buses are wheelchair-accessible and can kneel to help accommodate passengers with limited mobility. Most buses are also equipped with “talking bus” technology, which announces major bus stops and intersections.

CHT's Paratransit (EZ Rider) Service provides origin-to-destination transportation to eligible individuals who are unable to use the accessible fixed route system due to their disability.

Please call (919) 969-5544 for more information about EZ Rider.
