

FAREWELL, STATION 2!

Chapel Hill Fire Station 2 was built in 1959 to protect Glen Lennox & the UNC campus. As our area changes, we need to change, too. Join us to say goodbye to our current station & learn how we'll rejoin the 54 East community.

Light refreshments will be served.

Everyone is welcome!

Please bring any CHFD or local memorabilia (photos, small items, etc.) to be photographed.
