Hi Ann,

In response to John Walch's request, I am sending an update about the Town's work related to the 828 Martin Luther King Jr Blvd property (existing Police Station property). As we discussed with you and John by phone on Monday, we are currently evaluating the option of submitting a Brownfields application for the site.

We will send another update in the next 45-60 days.

Please let me know if there's anything else you need from us.

Thanks,  
John
