Participate in Rosemary Imagined

Join community members, Town and University leaders, and downtown business and property owners from 6 to 7:30 p.m. Tuesday, June 25, for the first in a series of community meetings about Rosemary Imagined. The kick-off will be held in the Sky Lounge at Greenbridge, 601 Rosemary St. Rosemary Imagined is an innovative community-led planning initiative that will refine our thinking of how Rosemary Street fits into the development and growth of downtown Chapel Hill. Come for information, conversation, and imagination about Rosemary Street and share your thoughts!

This community event is part of a 10-month process of engagement with the Town of Chapel Hill and the community to bring together several recent efforts by the community into a complete vision for the future of the Rosemary Street corridor. The Rosemary Street corridor was identified during the Chapel Hill 2020 process as one of the five Big Ideas; the "Big Ideas" are initiatives that embody the essence of the Chapel Hill 2020 goals and will serve as a beacon to guide the efforts of the Town and the community as Chapel Hill's future is created.
