The Town of Chapel Hill is committed to providing local businesses safe and secure operating environments for the enjoyment of your employees and customers. Your business was recently inspected by the fire department to ensure compliance with the provisions of the International Fire Code and either state or local requirements. The Town of Chapel Hill selected Fire Recovery USA, LLC to help automate the process by implementing new technologies to make the fire department more efficient and productive. Per the terms of the fee schedule adopted by the Town of Chapel Hill, your business is subject to the inspection fee(s) set forth below.
