

YOU ARE INVITED!

alley improvement project

Please join the Town of Chapel Hill as we reimagine two Downtown Chapel Hill alley passages between the Wallace Parking Deck and Franklin Street (see map). This workshop is an opportunity to contribute to the future of Chapel Hill! At the workshop we will invite you to review creative ideas other towns have used to design their alleys and imagine how we can improve two of our informal passageways in a way unique to Chapel Hill!

Varsity Alley Post Office Alley

Varsity Alley adjacent to the Bookstore and Varsity Theater
P.O. Alley adjacent to the Corners Restaurant and the Post Office
