University of North Carolina at Chapel Hill
Neighborhood meeting: March 6, 2017 5:30-6:30 PM
Giles F. Horney Building, 103 Airport Drive, Chapel Hill NC 27514

Interests:

- New facility to replace aging/inadequate facilities
- Partnership opportunity in central location
- Long-term view of the Town and University's needs
- Compatibility with surrounding uses over time

Challenges:

- Complexity of approval processes (Town, University, Board of Trustees, Board of Governors, and Legislature)
- Phasing and timing of the concept

Topics of Attention:

- Stormwater
- Building impacts (lighting, noise, visuals)
- Buffers and landscaping
- Access and circulation
- Other?
