We're Making Parking Better Downtown!

The maximum time limit for on-street parking meters in downtown Chapel Hill has been increased to three hours. The rate for on-street parking will remain \$1.50 per hour. Meters are enforced from 8 a.m. to 6 p.m. Monday through Saturday. Public parking downtown is always free on Sunday.

The Town of Chapel Hill is pleased to announce that residents may now pay parking tickets online. This service is offered at www.townofchapelhill.org/parking under the Parking Tickets tab, or at <http://parking.townofchapelhill.org/ttcitations/citations.asp>. Customers may use a credit or debit card with payments accepted via VISA, MasterCard and American Express.

Town staff are working hard to respond to public comments on ways to improve downtown parking.

Homestead Aquatics Center Will Re-Open on April 17

Good news! The leak in the Homestead Aquatics Center pool has been found and repaired; the pool has been filled, heated, and regulated; and the pool is scheduled to reopen in less than two weeks! **Thank you for your patience during the repair.**

The Orange County Health Department has given tentative approval to reopen the Aquatics Center, pending a full inspection. This type of inspection is regularly done twice a year. With final approval from the health department, the Aquatics Center will open at 5:30 a.m. Monday, April 17, and continue on a regular schedule. Pool schedules can be found at townofchapelhill.org/poolschedules.

The Parks and Recreation Department expects an approval from the final inspection. If a delay is presented, a new opening date will be announced by the Town of Chapel Hill.
