New Crosswalks to Improve Pedestrian Safety

New crosswalks with refuge islands are coming to Martin Luther King Jr. Boulevard. One will be located between Airport Drive and the Chapel Hill-Carrboro YMCA. The other will be located north of Bolinwood Drive in front of Airport Gardens Apartments.

People who drive are reminded to observe the speed limit of 35 miles per hour and to watch for people crossing this busy corridor.

Construction will take place Monday through Friday from 9 a.m. to 4 p.m. Lane closures will be in place; two-way traffic will be maintained. Work is scheduled to be completed by June 30, weather permitting.

South Road Closed

South Road is closed to through traffic for utility repairs between Raleigh Street and Stadium Drive. The road is scheduled to reopen Aug. 4, weather permitting.

Chapel Hill Transit A, CCX, DX, FCX, FG, G, S, U and V routes will be detoured on the UNC campus. Chapel Hill Transit will make every attempt to maintain schedules on the CM, N, RU and U routes during this project, but is advising customers to expect delays and to allow extra travel time. NextBus predictions may be affected. The detours are expected to last over the summer.

Integration Pioneers honored with Historical Marker

The first African Americans to serve in the modern Navy at general rating will be honored with the dedication of a permanent historical marker on the 75th anniversary of their enlisting. The marker, which will be installed at 10 a.m. Saturday, May 27 at the intersection of West Franklin and South Roberson streets, commemorates U.S. Navy Band B-1, which was attached to the Navy's PreFlight School on the UNC campus from July 1942 to April 1944.

After the installation, a reception will be held at the Hargraves Center at 216 N. Roberson Street. The program and reception are free and open to the public.
