How do you like the new pocket park?

Look for the new mini park in front of Chapel Hill Tire at 502 W. Franklin St. Pocket parks are among the new ideas in the Town's Downtown 2020 Work Plan to enhance

visitor experiences and add green spaces downtown. The tiny park will include seating, bike racks and seasonal planters. The mini park is an experiment to determine whether the amenities are what people will use and enjoy.

Stop by and visit the mini park, and let us know what you think! Send your comments to info@townofchapelhill.org.
