Public Comment on 2018–2019 CDBG Needs Assessment

The federal Community Development Block Grant (CDBG) Program, operated by the US Department of Housing and Urban Development, provides communities with resources to address a wide range of community needs to serve low to moderate income residents. The Town of Chapel Hill has received federal CDBG funds since 1975 and has used these funds to support a variety of affordable housing initiatives and community service programs.

The Chapel Hill Town Council will hold an initial public hearing at 7 p.m. Wednesday, Nov. 1, in the Council Chamber of Chapel Hill Town Hall, 405 Martin Luther King Jr. Blvd., to receive citizen input on the Town's community development needs. Public comments will be used to help determine specific funding priorities, and help identify potential uses of 2018-2019 federal Community Development Block Grant (CDBG) funds.

The Council will hold two public forums to receive public comments on community needs and on potential use of 2018–2019 CDBG funds. The second public forum is tentatively scheduled for Monday, March 19, 2018. Public Forums will be held at 7 p.m. in the Council Chamber of Town Hall, 405 Martin Luther King Jr. Blvd., Chapel Hill, NC 27514.

Written comments may be submitted to Renee Moye, Community Development Program Manager, Office of Housing and Community, 405 Martin Luther King Jr. Blvd., Chapel Hill, NC 27514 or via email to CDBG@TownofChapelHill.org. All comments will be incorporated into final documents submitted to the U.S. Department of Housing and Urban Development (HUD).

Halloween Quickfacts

We're updating information at townofchapelhill.org/halloween, and we'll send out more information about the Town's efforts to keep the community safe on Halloween this year. Here are a few quick facts about Homegrown Halloween.

- Halloween will be on Oct. 31 regardless of the fact that it falls on a Tuesday this year
- Downtown streets will be closed to motor vehicles from 8 to 10:30 p.m. (a list of streets and maps will be released soon)
- The Columbia and Franklin streets intersection will be closed to motor vehicles this year. The Town is working with County and UNC Health Care staff to ensure quick and easy access to and from the hospital.
- Stopping and passenger unloading will not be permitted on Franklin Street.
