

Adopt A Park / Greenway Application

The Town of Chapel Hill believes that well-maintained parks and trails areas are essential to the beauty and appeal of our community. The Town of Chapel Hill Adopt A Park / Greenway program was established to improve the appearance of the Town of Chapel Hill, and to encourage community involvement.

By this agreement, _____ (applicant) agrees to abide by the Adopt A Park / Greenway Program Requirements and Adopt A Park / Greenway Safety Guidelines set forth by the Town of Chapel Hill, and to enforce compliance with the program requirements and safety guidelines by volunteers working on Adopt A Park / Greenway projects sponsored by its organization.

The Town of Chapel Hill recognizes the applicant as the adopting organization of the following park/greenway:

Park _____
 Greenway Name: _____ from _____ to _____
 Beginning Date: _____ Ending Date: _____

The terms of this agreement are to be followed from the date the adoption is approved until December 31 of the same year. The number of clean-ups required during the first year will be no less than _____ after the adoption approval date.

Adoptions will be automatically renewed each year, unless another group/individual wants to adopt that specific park or trail, applicants fail to complete and report the required number of cleanups, or they request to be removed from the program. There is a maximum of a two year adoption period if a waiting list exists for that facility, Failure to complete obligations will prevent future adoptions by your organization. The Town of Chapel Hill reserves the right to cancel this privilege at any time.
