## What Are Your Community Transportation Priorities?

The Durham-Chapel Hill-Carrboro Metropolitan Planning Organization (DCHC MPO) is seeking public feedback on the proposed 2045 Metropolitan Transportation Plan (MTP) report, which will drive future policies and decision-making processes for highway, bicycle, pedestrian, and transit projects.

Review and provide input on the proposed 2045 MTP, which shows transportation projects to be implemented over the next 30 years, and presents the official demographic forecasts and regional travel model. Visit the DCHC MPO Website at [www.dchcmo.org](http://www.dchcmo.org) and provide comments directly by email by Feb. 9.

The final 2045 MTP and full report is scheduled to be adopted in February, which will include projects for consideration to receive state and federal funding through the Transportation Improvement Program (TIP).

For more information about the 2045 MTP, contact Andy Henry with the City of Durham Transportation Department at (919) 560-4366, ext. 36419 or email [andrew.henry@durhamnc.gov](mailto:andrew.henry@durhamnc.gov).
