Arts Commission Needs Members

Do you live in Chapel Hill? Do you have an interest in advocating for arts and culture in your community? Do you want to influence arts policy and programming in Chapel Hill, now and in the future?

If this sounds like you, then consider applying for one of several vacancies on the Chapel Hill Arts Commission. The commission advises Town Council and staff on matters relating to the arts (from selection of public art to Town-funded arts programs and events) and advocates for the arts as a top community priority. Members of the commission commit to monthly meetings and occasional other volunteer duties, while serving generally as champions of the arts in the community.

We hope to build a diverse board that truly represents our great community. While applications are accepted on a rolling basis throughout the year, for this recruitment, preference will be given to applications received by Monday, Aug. 6. For more information about the commission and to apply, visit www.townofchapelhill.org/boards.

Charting Our Future Drop-in Hours

Join Town staff at the Police substation at University Place, 200 S. Estes Drive, to learn more about Charting Our Future and share your vision for Chapel Hill in the year 2049. Drop-in sessions will be held on Wednesdays and Fridays from 11:30 a.m. to 1:30 p.m. starting July 20. You'll have a chance to be entered in a drawing for Silverspot Cinema gift cards.

The Police substation is located in the hallway near Southern Season.

Parking Question? Ask an Ambassador

Downtown Chapel Hill is a welcoming place for all with #LotsToLove; and the Town of Chapel Hill's new Downtown Ambassador Program aims to put, and keep, smiles on visitors' faces!

Downtown Ambassadors welcome people and provide assistance to ensure visitors feel welcome as they experience and explore downtown. Ready with wide-ranging knowledge of downtown's stores, restaurants, cultural venues, and special events, our Ambassadors share helpful advice and directional assistance with a passion for the community.

The Downtown Ambassador Program began this spring as the Town rolled parking operations into a fully-automated system. Now with the completion of 60 brand new parking meters installed downtown, there will no longer be parking booths with attendants. The friendly faces you were used to seeing in parking booths will now be seen throughout downtown as Ambassadors.

Feel free to approach any of the Downtown Ambassadors for information, recommendations, and directions. You'll recognize them by the bright Carolina Blue shirts that say, "Ask me a question!"
