July 25, 2018

Dear Resident:

**RE: MEETING TO CONSIDER A SIDEPATH (MULTI-MODAL PATH) ALONG
FORDHAM BLVD FROM CLELAND DRIVE TO WILLOW DRIVE**

**TIME AND PLACE: August 22, 2018, 7:00 PM, University Place, 201 S. Estes Drive
(storefront across from Alfredo's Pizza Villa, near Silverspot Theaters)**

The Town of Chapel Hill will hold a public meeting on August 22, 2018 to share and gather information concerning a proposal to repair an older section of the Fordham Boulevard Sidepath from Cleland Drive to Ridgefield Road and to extend the sidepath to Willow Drive. (See maps on the reverse side).

This project is part of a longer range plan to increase pedestrian and bicycle transportation throughout the eastern part of Town.

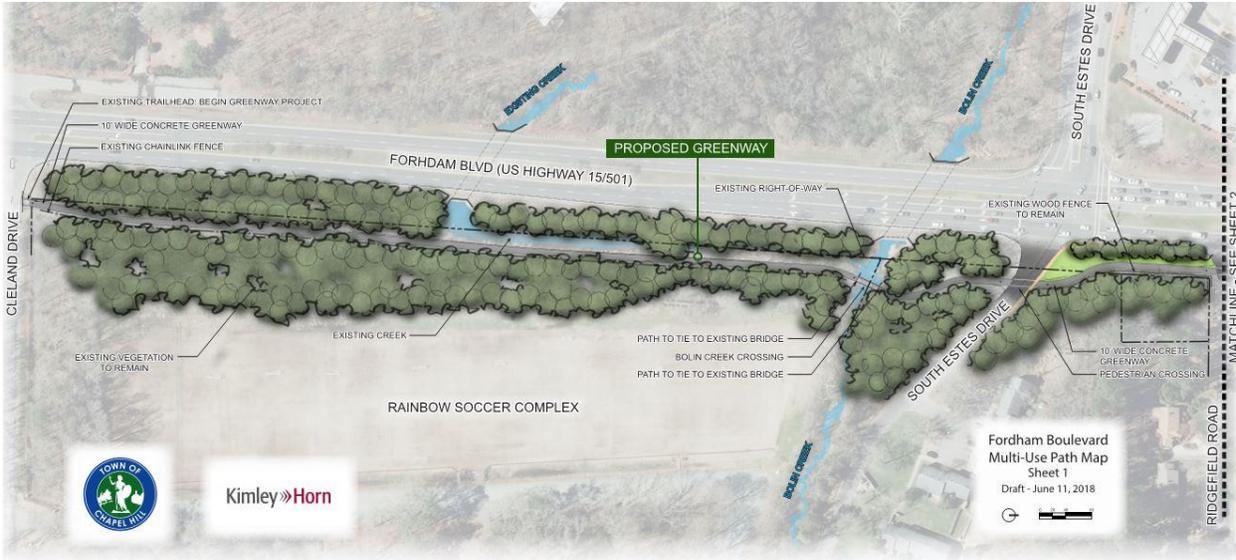

A representative of Kimley-Horn will be in attendance to explain the technical issues and impacts of the proposed project. A representative of the Town's Planning Department will be in attendance to explain how this project addresses issues and recommendations related to the Town's adopted Mobility and Connectivity Plan.

Please share this information with any neighbor or other interested party.

I also encourage you to send me an email and request to be placed on an email distribution list for this project. We likely will not use the US Postal Service for most future communications. To request to be included on the email list or to request additional information about this project please contact me by either calling 919 968-2819, or emailing bwebster@townofchapelhill.org.

Sincerely,

William R. Webster
Planning and Development Manager

Existing Sidepath – Proposal to Rebuild the Existing Path to Modern Standards

Proposed Extension of Sidepath – New Trail from Ridgefield Road to Willow Drive
