Q&A Session for Human Services and CDBG Funding Applications

The Town of Chapel Hill is now accepting applications for Human Services and Community Development Block Grant (CDBG) funding for the fiscal year 2019-20 from human service and affordable housing nonprofit providers. Funding applications are available online at townofchapelhill.org/humanservices. The deadline for applications is 5 p.m. Tuesday, Jan. 22, 2019.

A Q&A session will be held from 9 to 11 a.m. Tuesday, Jan. 8, 2019, at the Chapel Hill Public Library in Meeting Room A.

Human Services Program

In June 2018, the Town Council adopted a new Results Framework for the Human Services Program. Adoption of the Results Framework reflects the Town's interest in further focusing the Human Services Program on results and deepening the program's impact to address the community's greatest challenges.

Applications for funding must align with at least one of three strategic objectives:

1. Children improve their educational outcomes
2. Residents increase their livelihood security
3. Residents improve their health outcomes

Community Development Block Grant Program (CDBG)

CDBG Applications are available online at tinyurl.com/TOCHcdbg. Applicants are invited to participate in a pre-application meeting, which is a 1-hour one-on-one session, during which applicants can discuss their funding proposal with Town staff. To schedule a pre-application meeting, contact Renee Moyer at 919-968-2877.

For more information about the human services funding, contact Jackie Thompson at 919-969-5081. For more information about CDBG funding, contact Renee Moyer at 919-968-2877.
