Saturday

(March 9)

Quilt Pop-Up Show and Sale

9 a.m.-6 p.m., 109 E. Franklin St.

Manufactured Housing Work Featured in International Blog

An international blog has published a story about the Town of Chapel Hill's efforts to use data-driven and community engagement solutions to address the redevelopment threat to manufactured homes communities in Chapel Hill.

Esri, an international supplier of geographic information system (GIS) software, posted the story at <http://bit.ly/2tta6yw>. It offers a detailed picture of how the Town came together to use partnerships, engagement, and the ArcGIS mapping software to prioritize Town-owned land for new affordable housing development.

The use of immersive 3D maps helped staff visualize properties and possibilities to implement a Manufactured Home Strategy. One key component of the strategy is to identify Town-owned sites that could be used to develop new affordable housing and potential relocation options for manufactured home residents, if needed.

An excerpt from the story:

"In 2017, the residents and families living in a 33-unit mobile home park in Chapel Hill, North Carolina, received news from the property owner that within a year they would have to relocate so the property could be redeveloped. After the tight-knit community made an impassioned plea for help, the Chapel Hill Town Council mobilized a small team of Town employees to explore affordable housing options."

Roof Repair at Hargraves Center

Roof repair is underway at Hargraves Center and its adjoining Northside Gymnasium at 216 N. Roberson St. The \$370,000 project includes roof replacement at the center and gymnasium facilities and installation of a new HVAC system. During the installation of the HVAC, it is possible that the gymnasium may need to close, depending on temperatures, sometime in mid- to late March. The project is expected to be completed by the end of April.

Please be mindful of safety and to stay out of marked-off areas during the construction.

For more information, contact Maintenance Superintendent Kevin Robinson at krobinson@townofchapelhill.org or 919-969-5104.

Quilt Sale and Exhibit

The Durham Orange Quilters Guild Quilt Pop-Up Show & Sale will kick off from 6 to 9 p.m. Friday, March 8, as part of the monthly Second Friday Art Walk, sponsored by the Chapel Hill Downtown Partnership, and will continue on Saturday from 9 a.m. to 6 p.m. The Show & Sale will take place at 109 E. Franklin St. in the space previously occupied by the Ackland Museum Store.

A Quilt Exhibit at Chapel Hill Public Library on March 16 and 17 will feature a display of more than 50 quilts, with a special section of red and white quilts to celebrate the guild's Ruby anniversary. To accompany the exhibit and perhaps inspire the next generation of quilters, the Guild will lead hands-on demonstrations for all ages.
