Fire Marshals and Meals on Wheels Check Smoke Detectors

Fire Marshals in Chapel Hill, Carrboro, and Orange County will tag along with Chapel Hill-Carrboro Meals on Wheels employees during their regular deliveries to ensure residents have properly installed and functioning smoke and carbon monoxide detectors. The visits will continue on Tuesdays and Thursdays through April 18.

Chapel Hill-Carrboro Meals on Wheels provides hot, nutritious meals and personal visits to around 175 recipients in the southern part of Orange County who are unable to prepare meals for themselves due to age, illness, disability, or convalescence.

Recipients will receive a letter from fire personnel prior to their visit informing them of what to expect.

Anyone with questions about life safety equipment, including smoke and carbon monoxide detectors, alarms, and fire suppression devices (such as sprinklers and extinguishers) can call the Chapel Hill Fire Department at 919-968-2781.

Help make a difference!

Apply to be a member of an advisory board, committee, or commission.

Here's what you give –

- Serve as an advocate for the Town of Chapel Hill
- Provide feedback to the Town Council
- Ensure effective planning, monitoring, and strengthening of programs and services
- Enhance the Town of Chapel Hill's public standing

And, what you get in return –

- An opportunity to shape the community
- Networking opportunities
- Enhance your resume
- Transportation/Childcare assistance available

Apply Now! No experience necessary. Will provide training to ensure your success.

Questions? Contact Alisha Cordell at 919-968-2844 or advisoryboards@townofchapelhill.org. We look forward to working with you!

Quilt Exhibit

The Durham Orange Quilters Guild is celebrating its 40th anniversary with a quilt exhibit from 9 a.m. to 8 p.m. March 16–17 at Chapel Hill Public Library. The exhibit features more than 50 quilts. Learn about quilting with hands-on demonstrations.

New Turf Fields at Homestead Park Ribbon Cutting on March 23

Thanks to a \$1.4 million joint project among the Town of Chapel Hill, Triangle United Soccer and Rainbow Soccer, Homestead Park has two new artificial turf fields, accessible walkways and fencing. The artificial turf fields can be played on year-round with far less need to close fields due to inclement weather and wet field conditions, so more programming time and an increase in rental revenues is anticipated. The fields are also lighted for evening play.

The new turf fields use a special 100 percent natural product, Purefill Artificial Turf Infill, made of organic cork granules and sand. This product is completely recyclable and sustainable and provides significant heat reduction. It meets or exceeds all industry standards for player safety. The sub-base design can capture half an inch of rainwater.

A ribbon cutting ceremony will be held at 11 a.m. Saturday, March 23, at Homestead Park, 100 Aquatic Drive. The event will wrap up with a clinic by members of the men's and women's soccer teams from UNC with Triangle United Youth Soccer players.

Eastowne Drive Bus Stop Moved

Due to construction on Eastowne Drive, the bus stop at Pinegate Apartments (#3296) has been temporarily relocated to 500 Eastowne Drive (about 300 feet north of the current location). The project is expected to last about eighteen (18) months, weather permitting.
