2019-20 Manager's Recommended Budget
Question #5**

QUESTION: Are the public housing repairs planned for FY20 coming from CDBG funds? If not, from where?

RESPONDENT: Loryn Clark, Executive Director for Housing & Community

RESPONSE: Routine public housing repairs are paid through the Operating Subsidy that the Town receives from the U.S. Department of Housing and Urban Development (HUD) and are included in the Housing Fund and budgeted annually. The federal Capital Fund Grant is used to pay for major renovations and is budgeted with a project ordinance covering the life cycle of the project.
