2019-20 Manager's Recommended Budget
Question #19

QUESTION: Do we need to think about funding for future years for Comp Plan updates? I know this would not be for this year, but thinking ahead/longer range budgeting?

RESPONDENT: Amy Oland, Business Management Director

RESPONSE: As the Town updates the Land Use Management Ordinance (LUMO), we are in essence beginning the conversation for the Town's Comprehensive Plan. The Comp Plan will be one of the items that we discuss as we begin talking about the 5-year long range budget plan.
