## Friday

(June 14)

**Summer Blast Kickoff**  
5-8 p.m., Chapel Hill Public Library

## Traffic Calming around Wegmans

A community meeting is scheduled for 6:30 p.m. Tuesday, June 11, to share and receive input on the proposed traffic calming measures on residential streets around the Wegmans property at 1810 Fordham Blvd. The meeting will be held in Room B of the Chapel Hill Public Library.

Two community meetings were held previously (on May 31, 2018 and February 25, 2019) for public input on the traffic calming plan. A final draft plan is being developed for traffic calming measures including all-way stop control, speed tables, on-street parking, diverter and other devices around the adjacent streets near the Wegmans property. The final draft plan will be posted to the Town website one week prior to the meeting.

Deconstruction of the former Performance Auto Mall is underway on U.S. 15-501 in Chapel Hill to prepare for the new 99,000-square-foot Wegmans, a \$30 million development with an opening date sometime in 2020. The development application was approved in October 2017.

For more information on the meeting, contact Kumar Neppalli, Traffic Engineering Manager, at 919-969-5093 or [kneppalli@townofchapelhill.org](mailto:kneppalli@townofchapelhill.org).

## Going on Vacation? Get a House Check!

If you're going to be away from Chapel Hill for an extended period over the summer, the Chapel Hill Police Department will keep an eye on your property. Request a house check, and an officer will drive by your residence and check for signs that your property has been left unsecured or someone has tampered with it.

This service is offered year round and is free to any residents. Officers will not enter a property unless there is a sign that it has been left unsecured or forcibly entered.

While you're away, store valuables out of sight, lock all doors and windows (even if they're on the second floor); set lights around the house on timers; and make sure your yard is maintained so it looks as if someone has been by recently.

To receive this free service, complete a house check form at least 24 hours before you leave. The form is available at [bity.ly/1jYBXzh](http://bity.ly/1jYBXzh).

Information: [dhrhoads@townofchapelhill.org](mailto:dhrhoads@townofchapelhill.org) or 919-968-2865.

## Summer Blast Kickoff

Don't miss the Summer Blast kickoff party at its new time! Come to the library at 100 Library Drive from 5 to 8 p.m. Friday, June 14.

Plans for this year include food trucks (Maple View Ice Cream, Holy Moly Cannoli, Bandidos, and Soul Fresh Spring Rolls), live music (Baron Von Rumblebuss and Secret Monkey Weekend!), and some low key games. Feel free to bring some chairs or a blanket, and a bite to eat if you don't want to try the food trucks.

Get the whole family signed up for the Summer Reading Challenge and get a free friendship bracelet! With the later start time, the temperatures will be milder and there will be no need to rush.

Information: [chapelhillpubliclibrary.org](http://chapelhillpubliclibrary.org)

## Parking Downtown Keeps Getting Easier

Parkmobile makes it easy to find and pay for parking in downtown Chapel Hill using your smartphone and new, easy (and solar-powered!) Parkeon meters. It'll remind you when your parking session is about to end and lets you add time easily.

## Housing Advisory Board Needs Residential Building Developer

Are you a for-profit residential real estate developer? Serve your community by joining the Housing Advisory Board! The Housing Advisory Board assists the Town Council in promoting and developing a full spectrum of housing opportunities that meet the needs of the Chapel Hill community. Apply today at [www.townofchapelhill.org/boards](http://www.townofchapelhill.org/boards).
