## Connecting to Rogers Road Sewer

The newly constructed Rogers Road sewer system is expected to be inspected and certified for public use in July 2019. Property owners in the Historic Rogers Road area will soon be able to begin the process for connecting to the new public sewer system upon request.

A public meeting is scheduled for 10 a.m. Saturday, June 29, at the Faith Tabernacle Oasis of Love Church at 8005 Rogers Road. The Rogers Road Project Team will be there to discuss the process for connecting to the new sewer system and answer any questions and concerns. Brochures and materials that describe the connection process and public funding assistance programs will be available.

If you are unable to attend the public meeting but have questions or concerns related to connecting to the new sewer system, please feel free to contact:

- Christopher J. Sandt, P.E., Orange County Staff Engineer  
919-245-2583 or [csandt@orangecountync.gov](mailto:csandt@orangecountync.gov)
- Tina Love, Orange County Administrative Assistant III  
919-245-2575 or [tlove@orangecountync.gov](mailto:tlove@orangecountync.gov)

Town of Chapel Hill  
**FOURTH OF JULY  
FIREWORKS**  
&  
Southern Village  
**COMMUNITY  
CELEBRATION**

## Fireworks Show (Different Place, Same Awesome Show)

In celebration of our nation's birthday, the Town of Chapel Hill will light up the skies with a community fireworks display in Southern Community Park on Thursday, July 4, 2019. In advance of the fireworks, Southern Village will host a community celebration on the Village Green. This year signals a new era for this Chapel Hill tradition as it moves from UNC-Chapel Hill's Kenan Stadium to a new home in the community.

This year's event offers two different experiences for local residents looking to enjoy the fireworks display. Southern Community Park's sports fields will be open starting at 7 p.m. for those who simply want to bring a blanket or chair and relax with family and friends in the park before the show. For those who are looking to feed the family and catch some live entertainment before the fireworks begin, then the Southern Village Green is the place to be. From 6 to 9 p.m., Market Street merchants will have food and drink for sale and live music on stage from Idlewild South. The fireworks are expected to begin around 9:15 p.m. and this year's show will be visible from the park, the Village Green, and many other locations around town. Town staff have created a 3D model of the fireworks and it shows that the fireworks will be visible from many locations in the community.

Planning and executing a new community celebration like this involves almost every Town department, from Police and Fire to Public Works and Parks and Recreation. Town Manager Maurice Jones notes that interdepartmental collaboration is one of Town's greatest strengths and is on display at events like this, noting "These are complex, all-hands-on-deck operations and we have an outstanding Town team and great partners at Southern Village, all working to give our community a safe and fun family experience for the Fourth."

Visit the event website at [www.chapelhilljuly4fireworks.com](http://www.chapelhilljuly4fireworks.com) for more information. Included on the site are some of the 3D models, so residents see where the fireworks will be seen around the community. The Town and Southern Village will also post updates on social media platforms, including @chapelhillgov, @chcommunityarts, and @southernvillage
