Just type in your starting location, your destination and the time of day you plan to travel. Real Time Bus Information

NextBus is a service designed to help take the guesswork out of bus arrivals. It uses satellite technology to track a bus; then sends the estimated arrival time for a particular stop to you via phone, text, or web. Many high-traffic stops also have signs which display this information.

To use NextBus: Provide your bus stop number or route letter and direction.

All Chapel Hill Transit bus stops are numbered and key stop numbers are listed on each schedule.

Text:

- Text 'chapelh' and your stop number to 414111.
- Leave a space between the word "chapelh" and your stop number when entering text.

You will receive a text message back with arrival time. Standard data and messaging rates may apply.

Download the app to your web enabled device.

If you are traveling outside of the Chapel Hill Transit service area, Transloc provides realtime bus information for GoTriangle and The Piedmont Authority for Regional Transportation (PART).

Ramps, Lifts and Kneeling Buses

Most of Chapel Hill Transit's buses now have ramps. Anyone can request the ramp or lift be lowered. These aren't just for customers using wheelchairs/mobility devices. The buses with ramps can also kneel, lowering the floor of the bus to make boarding easier. Ask the operator to kneel the bus if it would make it safer for you to board.

Bike Racks

Every Chapel Hill Transit bus can carry two bikes on its front rack.

- Bikes can be loaded on the rack at all hours of public operation and at all transit stops.
- There is no extra charge for your bike.
- Bikes are not allowed inside the bus, except for folded bikes.

- If the bus bike rack is full, please wait for the next bus.

A practice rack is located on East Franklin Street near the Carolina Coffee Shop bus stop or when you see a bus at a community event, ask the operator if you can test the rack.

Inclement Weather/Emergencies

Chapel Hill Transit's policy is to safely provide service regardless of the weather conditions. However, during some weather conditions or other emergencies, scheduled times and routing may be affected.

Visit www.townofchapelhill.org/snow and/or sign up for alerts from Town of Chapel Hill: <http://www.townofchapelhill.org/town-hall/departments-services/transit/inclement-weather> to stay informed during adverse conditions.
