Chapel Hill Transit is a public transportation service providing safe, convenient and reliable fixed route and paratransit services to the residents and visitors of Chapel Hill, Carrboro and the University of North Carolina (UNC) campus. Chapel Hill Transit began service in 1976 and today operates 25 fixed route transit services. Chapel Hill Transit is a member of GoTriangle (gotrelinha.com) and The Piedmont Authority for Regional Transportation (PART).

Riding Tips

- Pets (non-service animals) may only be brought on the bus in a secured pet carrier.
- There is no extra charge for your bike.
- Bike Racks

Bikes can be loaded on the rack at all hours of public operation and at all transit stops. Every Chapel Hill Transit bus can carry two bikes on its front rack. Bike Racks are available at all times and locations.

Bikes are not allowed inside the bus, except for folded bikes.

- When possible, please exit through the rear door.
- If the bus bike rack is full, please wait for the next bus.
- Pull the signal cord about a half block before you want to get off the bus.
- Leave a space between the word "chapelh" and your stop number when entering text.
- If you are traveling outside of the Chapel Hill Transit service area, TransLoc provides real-time bus information at your destination. It uses satellite technology to track a bus; then sends the estimated arrival time for a particular stop to you via phone, text, or web. Many high-traffic bus stops also have signs which display this information.
