

Orange County Long-Term Recovery Community Values Survey

Your Input is Needed!

Orange County's Long-Term Recovery Group is creating a plan for recovery from COVID-19 to help strengthen our community for **all** people.* **Your input is needed to identify the values that will help shape the County's path forward.** Please take a three-minute survey between August 31 and September 11 to share your opinion about Orange County's values.

Why is the Survey Important?

This survey will help your community leaders understand **what you value most** when it comes to recovery from COVID-19 and avoiding future disruptions to our community. The survey results will be used to create a disaster recovery plan to **increase the resilience** of our community.

Community Resilience

Community resilience is a community's ability to withstand and recover from disruptions like natural disasters, accidents, and attacks through individual and community preparedness.

What does community resilience mean to you?

**Regardless of race or color; religious or philosophical beliefs; sex, gender, or sexual orientation; national origin or ethnic background; age; military service; disability; and familial, residential, or economic status.*

How to Take the Survey

The survey will be open from August 31 through September 11, 2020. You can take the survey online or on paper. To take the survey online, please visit surveymonkey.com/r/OrangeNCValues or scan the QR code with your smartphone's camera application.
