The Orange County Tax Office is striving to provide safer and more efficient ways for you to pay your property taxes.

We have added an E-Check option as one of the online payment solutions we offer. The convenience fee for using the E-check option is a flat fee of \$2.00.

This and other online payment options can be found on the Tax Office's website @ <https://web.co.orange.nc.us/publicwebaccess/>

Point and Pay LLC, who has been the provider of our online payment options for several years, is providing the E-check option as well.

In light of the current health crisis we urge taxpayers who traditionally pay taxes in person during December and early January to pay by mail, the new E-check option, credit/debit card, or by drop box.
