Morgan Creek Trail Construction Underway— Work has begun on Morgan Creek Trail, which will provide access to a hidden gem of open space to the south and west of Fordham

Boulevard, a woodland corridor that James Taylor called “Copperline.” Morgan Creek Trail is planned for the north side of Morgan Creek, from Merritt Pasture to a new parking lot east of Kingswood Apartments. The Town was awarded \$300,000 in federal stimulus funding for the \$1.2 million project. This phase of the project is expected to be completed in April 2011.
