

## BROCHURE REQUEST FORM

The Town of Chapel Hill Communications and Public Affairs Department provides numerous brochures about government activities and services to the public. Advance ordering is very helpful due to the popularity of these publications and our desire to keep our brochure racks throughout Town facilities well stocked for the public. Please note that these publications are available online at [www.townofchapelhill.org](http://www.townofchapelhill.org) (see "Newsroom"). Large orders will be evaluated for public relevance and appropriateness.
